My ex-husband used to have your magazine in our night stand, but I didn't discover it until at least a year into our marriage. When I saw it, I looked through it and decided that I could do that. We took some photos together and submitted them. When you asked us to do a shoot, my ex got cold feet and the matter died.

Donna

But I was still interested and when we split, I contacted you again shortly thereafter did a shoot.

A blonde woman with long hair, wearing a black suit jacket over a white top, is posing on a green patterned couch. She is leaning forward, looking back over her shoulder at the camera with an open-mouthed expression. Her hands are placed on her hips. The background is a plain wall with a window on the left.

Damn! I never thought I'd be doing more than one or two shoots, but I like fucking a new guy each time with no hang-ups or attachments. But when I saw Sergio, the hormones take over and I had a fucking great time. I especially liked yanking his cock and when he put me on the floor on my shoulders and fucked me like that, I came like three times. Now that was something I had never done before!

Anita sent us some photos a couple months ago of her in a jungle setting where she was naked, except for a skimpy loincloth, clinging erotically to a big thick vine. We liked what we saw and asked her to get some more "tame" shots that

Anita

we could run in our magazine. She agreed, but only if she couple be a more "urban animal."

We agreed again, but it was hard to take the animal out of Anita. And we liked it that way.

I wanted my shoot to be done in red. Red is the color of love, of lust, and of hotness. I loved the simple set because the focus would be on me. I tried to suppress my animalistic tendencies, but by the end of the shoot it was hard to do. I just had to let it go and let the minx come out in me.

To the Editor;

I'm wrapping up the day's shoot at my photo studio when there's a knock at my door. It's Chessie and it's been a long time since I last saw her, back when her modeling career had just started. Since then, I hear she's been really popular on the swimsuit and lingerie circuit.

When she was just starting out she came to me for headshots and some rather conservative body shots. Chessie did three shoots with me, if I remember correctly, but never paid for the last two. Oh, she promised to pay, but disappeared with this guy to Los Angeles. That was two years ago and the last I heard of her.

She asks me if she could come in and I nod. She immediately starts apologizing to me for not paying, but she was young and the guy she was with told her to not to pay since they were going to L.A. I nodded some more. Then, rather melancholy, she said she didn't want to ever forget where she came from. She owes me a lot and would like to "settle her debt" with me. I told her the fee

Deserted island girl

If I was asked, and I was, who I'd like to be stranded on a deserted island with, I'd always said Darryl Hanah. I'd be watching this tasty tart roll around on the beach all day, or swim naked with the dolphins, or I'd bring her coconut milk for her soft skin. Silhouetted against the beach fire, I'd be checking out her perfect natural boobs and juicy ass. Laying in the hammock together, I'd softly run my hands over her expertly shave pussy mound (just because we're stranded doesn't mean we don't have some creature comforts, after all it's my fantasy!) Finally, she'd sleep tight every night because we'd fuck and suck until the sun went down and do it again the next day. I'd treat her to one shuddering climax after another. Gotta go... dinner's on the table.

— Glen, Tempe, AZ

was forgotten as soon as she walked out the door. She bowed her head down, and then raising it slowly said that she insisted. Just let her do another shoot with her now and she'll consider it paid off.

What? I wondered what she could be talking about. I told her I had just wrapped but she insisted and pulled a long dildo from her bag and started licking it. Then she asked if I would like to see what she could do with it, and photograph her. What?

Well, she was right, I couldn't resist so I quickly set up a couple lights and my camera. She said she would not sign any model release just to be sure I did not sell the shots. That this was strictly between me and her. And we will consider her debt to be settled. I agreed and immediately she walks to the edge of the seamless background, strips off all he clothes except for her heels and admits its something she's been dying to do.

Chessie warms up by lubing the hot pink dildo. She turns to the back, bends over and immediately

slides in and out of her perfect asshole with ease. You can tell she's done this a time or two before. Once she lubed up, that fake dick is ready for some deep anal insertion.

She's quite vocal and her facial expressions showed how much she liked getting her butt fucked. Then she started posing different positions. She was able to contort into anal positions one would not think is even possible until you saw them.

After an hour, she decided that was enough and decided to stop the shoot. I have to admit I don't remember shooting a single frame. Chessie got dressed, wiped her toy clean and put it back in her bag. Leaving, she brushed my cheek and said, "You're welcome."

— Jesse, San Antonio

Dear Editor;

Just wanted to write this down before I forgot what happened. Don't know if I'll ever send it, but it will be good for posterity.

I was at my friend, Phil's wedding rehearsal when I saw her. Tina, she was a bridesmaid and I was best man. As the rehearsal started I could feel her eyes on me, too and I couldn't help but stare into her

amazing hazel eyes. We were doing our part for the future bliss of the soon-to-be newlyweds – Phil's third and the bride's second.

As the evening progressed, we didn't say a word to each other during dinner. I wondered if Tina's feeling the same thing, because our eyes have met more than once. On the next day, the wedding went off without a hitch. Forget the bride, I couldn't get over how sexy Tina looked in the maroon bridesmaid dress. Her eyes sparkled and her blonde hair was pinned up and looked so proper. Some of the other guys teased me over the hard-on I had for her.

The wedding ended as the beautiful spectacle that it

was. Tons of good wishes and good cheer were bestowed upon the lucky couple, but tonight I think I'm going to be the luckier one. At the reception, music played, people ate and danced, and I took Tina by the hand and danced our way out the door. I grabbed a flute of champagne on my way out. In the parking lot I see the wedding party's limo with the driver nowhere in sight. I wandered over to it and found that it's not locked. I motion her over to get in.

We settle in the back seat and sit facing each other. I take a sip from the flute and begin to kiss her, flooding the golden liquid into her mouth. I slide my hand up her thigh and dis-

cover she's wearing garters and no panties. She leans over and unbuttons my shirt while lightly running her nails across my chest. I pull her dress off quickly and while I find the black lacy bustier she's wearing very sexy, it's got to go.

Now we're both naked, and the cool leather of the limo seat feels good as our body temperatures rise. I hold the glass next to her skin below her collarbone and tilt it slightly, the bubbly liquid flows down between her breasts, into her navel and trickles into the small patch of hair below. I kneel before her and retrace the path down with my tongue. I part her smooth legs and run my tongue across her pussy, flicking gently at her clit. She moans with pleasure as I swirl my tongue over her mound and savor the taste of her.

As she lays back across the seat, I rise up and mount her as my hard cock enters her pussy and her nails dig into my back. We move together, whispering to each other, 'faster, faster, harder, harder.' The scent of our bodies and a hint of the expensive champagne lingers in the air. It doesn't take long for her to reach the edge of orgasm. She shudders with the intense pleasure of her orgasm as I empty my juices into her with a groan.

One minute later we're dressed and walk back to the reception hand in hand. A few people noticed that we were a little messy, but their attentions quickly go back to the wedding party. There was magic in the air that night and I took it back home with me.

— Bill G., Raleigh, NC

Editor:

I am a dentist — age 52 working in a large city in Florida. I've been in practice for almost twenty years and I've had all types in my chair. I'm three blocks from the college so I get a lot of them coming in. Now, many men can claim that they know the psychology of women, but after reading my letter, some should reconsider.

As I told you, I'm a dentist and one fine day I was at my practice. After a few patients in the morning, a young woman enters my room, probably around 20 years old. My assistant brings in her x-rays and I put them on the light box. I turned the lights down for a better look. The girl was now sitting in the chair, leaning back in expectation of my diagnosis. I mention that there are a few minor cavities and one big one on her lower left rear molar. She asks if we could take care of them all right now.

She wriggles in the chair as

my assistant puts the bib around her neck and preps my instruments. She tips her head back and suddenly I feel her elbow brush my crotch as she wiggles a little in the chair. I ignore it but she looks at me straight in the eyes. Now I've had many an elbow or arm brush me there, but this one seemed intentional. Then she slowly closes and opens her eyes and I feel myself falling under her spell. She said no to numbing her so I begin to work on her wide open mouth.

As I inserted various instruments to work on her teeth, she would wrap her tongue around them seductively, or lick my mirror as I was using it inside her mouth. At the same time she would adjust herself in the chair, again bumping my crotch. This happened too many times to be accidental. When my assistant stepped out of the room for a minute, well, that's when things got even more interesting. This time she bumped my crotch, but

left her elbow there, even pushing it more into me. I now couldn't help but to get aroused and I know she sensed it.

Things quieted down for a moment when my assistant returned, but she told me it was approaching her lunch time and did I want another assistant. I told her that I would be fine because these were only routine fillings. She left — and for some reason closed the door behind her. I returned to my patient, raising the chair a little to reach her molar.

That's when things got a little weird. She took the siphon out of her mouth. She moved her hand more toward the center of my lap. Now, I was totally aroused and not able to understand what is happening, or why. Now, she places her hand on my erection and presses her fingers and asks if it's okay, and I was answerless at that moment. I said with a feeble voice "Yes." She turned her face toward me

and whispered, "Should I go on?"

I just nodded my head dumbfoundedly. She opens her mouth and licks her dry lips with her wet tongue. Her hand was playing with my bulge and trying to zip open my pants I assisted her and she pulled out my erection. She gripped my penis with her palm around it and squeezed it. Now, she's placed her warm lips around my shaft looking up at me with a sharp smile... she then got into business by sucking it vigorously. I was about to come and tried to pull her head away from my penis but she held it hard and ultimately I ejaculated into her mouth and she swallowed it.

Suddenly the door opens and it's my first assistant. She sees me trying to zip up and asks "What's going on here?" I'm so embarrassed, but then she sits on the chair next to my patient. They both look at me and smile. I do too, realizing what that meant, and then go to lock the door.

— Dr. James, Idaho

What luck for us today. We were invited to this shoot with Celeste and Zoey. They are two of the nicest, yet horniest ladies we know. They are not inhibited in any way and that makes for a fun day. The starting bell went off and the two came out totally naked except for Zoey's stockings and Celeste's necklace.

Celeste & Zoey

But those elements were not what we were looking at. It was their passion, their lustiness, and ultimately their screaming orgasms.

I love licking Zoey's pussy. It's sweet and fully aromatic with her pussy juices. She tastes different than many a pussy I've licked before, and it's great. After the shoot, I didn't wash my face just so I could taste her all the way home.

I was pretty depressed last week, I hadn't been laid in almost three months, which is a long time for me. When I decided that it was time, I went out to the lingerie store and bought this sexy lacy white outfit. Not that it would stay on for very long, but it makes a good impression. Then it was time to get my face and body ready.

Kayla

Long hot shower, shave my under-arms, legs and pussy mound. Yes, I like being bare down there. And spend a little extra time to be sure my booty is inviting. And it is.

Okay Mark, let's do it. Bring me your cock and let me suck it until you can't take it anymore. Then you can warm me up some more by licking my wet pussy. Doesn't it look nice? Doesn't it feel nice? Doesn't it smell nice? And finally, shove, and I mean shove that thing into my ass. I've been an anal virgin for a few months now so I know it's going to feel good!

Paula's husband sent us some rather risqué photos of the two of them having sex in a car by the beach. Mostly it was her giving him a hummer, but damn, if she wasn't good at it. We emailed back asking if she'd do it again for our cameras. She agreed, but when the photo session was almost over, she said she was so hot that she

Paula

wanted her ass fucked. We all took a deep breath, long pause and said, "oh, hell yeah!"

I have to admit, I didn't go into this shoot expecting to get an anal pounding, but I asked for it and man did it feel good. After a minute, I was oblivious to everyone standing around and watching and I must have had three or four orgasms right then and there.

Love thy neighbour - and if he happens to be tall, debonair and devastating, it will be that much easier. ~ Mae West

Brooke is about to make a difficult decision pretend neighbors

RARELY DOES LIFE MIMIC A MOVIE. NOR DOES IT HERE.

Brooke is a beautiful and successful owner of an exclusive day spa and resort in Calabasas who has everything going for her, except love. Sad because of a recent breakup with her longtime boyfriend, Brooke is a little weary of dating again and shuns the advances of most men who show an interest in her. All the changes though when Ryan, a handsome musician moves in next door. Soon Brooke finds herself slowly falling for Ryan despite all her efforts to avoid falling in love again with the wrong guy, setting herself up for more heartache. What Brooke soon discovers so is that when it comes to love, sometimes you just can't help who you fall in love with....

I've been driving for four hours from the heart of San Diego into the nightmarish L.A. traffic. Thankfully today it wasn't as bad as I've seen it. I'm on the 405 headed north to the westbound 101 in Sherman Oaks. I turned off the 101 into Calabasas and found the address I was texted by the director Lucas. I had left at five in the morning not knowing what traffic would be like to make a nine am call time - for me. I found the street and there was already a hum of activity... cameras and lights laid out all along the location's long driveway. The crew was milling about making

sure everything is set just right. Chloe and Tiffanie are running through the sprinklers on the side yard getting warmed up for their brief fantasy sequence scene. The two laugh and play with one another in the water, their nipples getting harder with each cold splash of water that hits their bodies.

As I parked my car, I can't tear my eyes from the two women frolicking in the water, which makes it difficult to park straight. Getting out and gathering my notepad, Lucas, the director, emerges from the house and greets me, "How you liking my little neighborhood so far?" I smiled, "I wish neighborhoods were really like this." I looked towards Chloe and Tiffanie who are now rolling around on the slip and slide and add, "With beautiful women running through sprinklers, frolicking around on their lawns."

Lucas laughs, "Well, today you can have that little piece of fantasy." I nodded in agreement as Lucas and I walked towards Chloe in the morning coolness and she greets me with a nice hearty hug as I get an introduction to her. The two almost naked girls begin to shiver and Lucas asked if they were ready to get their

Today, I'm here because Lucas invited me to the shoot because he wants recognition by my audience. This is his third movie and thinks it's a good one.

scene started. They both answer passionately and in unison with a big "Yes!" Chloe and Tiffanie are college roomies who are staying at Brooke's neighbor's house for the summer. The scene that follows is a fantasy

sequence set up scene. Even though the actual scene in the movie will be cut down to a couple minutes, I couldn't resist talking about it here because the scene was just too hot not to share with my viewers.

I guess I should tell you that I'm about 54 and writer for alternative media outlets around Southern California. They (whoever they are) say that my audience reaches about 3 million ears each week. Even to me, those are big numbers but I do try to keep it interesting for them. Today, I'm here because Lucas invited me to the shoot because he wants recognition by my audience. This is his third movie and thinks it's a good one. For me, it's my fifth porn shoot, but I haven't done one in over five or six years, so I was game for it. Okay back to what you really want to hear about...

Lucas turns to the crew behind him and announces, "Well guys, you heard the ladies, let's get rolling." Moments later, cameras are positioned and focused on the two girls playing on their sexy yet playful wrestling under the sprinkler. This playfulness quickly leads to an all-out hot and nasty sex romp. Chloe wastes no time diving into Tiffanie's wet pussy. Teasing her clit with her tongue as she jams four fingers into Tiffanie as she squirms and wiggles in the mist.

Tiffanie doesn't hold her squeals of pleasure as Chloe works her muff. Tiffanie flips her legs over her head and Chloe takes the queue, slipping her fingers deeper inside Tiffanie's kitty, working her fingers in and out in a piledriver fashion. It doesn't take long before her finger-fucking action causes Tiffanie to cum with such a force that her moans of ecstasy echo throughout the sleepy suburban neighborhoods.

Once she recovers, Tiffanie kisses Chloe, an obvious 'thank you' for such a great orgasm. Tiffanie returns the favor wholeheartedly, diving in between Chloe's legs without hesitation. Tiffanie takes on a different approach to pussy licking using the old tongue flicker and tease technique, which drives Chloe wild. Alternating darting her tongue in and out of Chloe's pussy and quick licks her clit. Tiffanie slips a couple fingers into Chloe's kitty this time causing her to go over the deep end with pleasure. It's only a matter of a few more minutes before exotica is moaning and grinding her hips into Tiffanie's face with the power of her orgasm.

Tiffanie smiles wickedly after the cameras stop rolling. I have heard of the tongue's prowess and ask Lucas if I can ask her about it. He motions her over and whispers in her ear. She grabs a towel to dry off and comes over and sits in Lucas' chair as he goes in the house to set up the next scene. "Tiffanie, I hear you have a mighty talented tongue." She laughs and rolls it around her lips and in and out of her mouth before saying anything. "So I've been told. I like licking pussy and have done enough of it that I know what it takes to get a girl off. You know that they're gonna love it, too," she says. We talk for a few more minutes about her talented tongue before a P.A. comes out and says he has to take our chairs into the house as they're pretty close to shooting the next scene.

I walk into the house with Tiffanie. She goes her way and I find the kitchen where the next scene is to be shot. Sitting in the breakfast nook is Brooke in the makeup chair. Her male co-star, Steele (yes, Steele, but his real first name is Bruce) is leaning on the counter

that she really enjoys the taste of his cock.*

sipping a soda, listening to Lucas as he positions the lights and the three video cameras. A few other crew members are chatting away creating a low inaudible buzz in the smallish kitchen area.

Then Lucas announces, "Okay everyone, I think we're ready. Let's do it." Brooke takes her position outside the kitchen and on queue enters the room wearing black bustier with red ribbon ties and matching thong panty. She looked so hot pouring herself a cup of coffee as Steele knocks on the back door. She walks over, opens it and they talk for a second. There's obvious flirting going on and he comes in as she pours him a cup of coffee also. They talk and laugh through an animated session that will get quick cuts to establish the premise of the scene. Which is Brooke starting to have feelings for her neighbor.

Lucas yells cut after about fifteen minutes saying they forgot the shot. Now it's off to the living room. Everything is already in position so they are ready to jump right into it. "Everyone settle," barks out Lucas. The doorbell rings and it's Brooke's ex showing up, asking to get her back. Brooke is shocked that her boyfriend has shown up begging to get her back. Steele doesn't want any part of this so he heads back into the kitchen. After the ex raises his voice to her again, it reminds her why they split and so she realizes that it is Steele that she is now in love with.

Brooke goes back into the kitchen, finds Steele and coaxes him back into the living room where she confesses her love for him. It takes a moment for Steele to respond but when he does there is a long pause. He stares into her eyes and they begin to grope each other, consumed with lust as Steele takes Brooke into his arms and begins to kiss her passionately. They stumble onto the overstuffed sofa frantically kissing one another and tearing each other's clothes off. The sexual tension between these two is apparently quite genuine as they get heated up for what follows.

Brooke, now totally naked, initially becomes the aggressor and drops to her knees to give Steele's cock a

loving going over and some manual stimulation. Then she gobbles up his member hungrily as it is obvious that she really enjoys the taste of his cock. With his cock now up and ready for action, he picks Brooke up and gently pushes her down on the sofa and opens her legs so he can return some oral loving to her. He teases and licks Brooke's pussy until it is wet and ready for the taking. Then he backs off and Brooke climbs

on the sofa and on her knees so Steele can enter her doggy-style. She squeals in pleasure with each thrust of his cock. The sound of sex echoes throughout the house as their sexual encounter becomes increasingly heated. Lucas nods behind the monitor in approval.

Brooke now flips onto her back and Steele pulls her legs up and she wraps her ankles around his neck. The cameraman closes in for a tight shot of Steele's cock entering her and the two proceed to continue with their zealous lovemaking. Only stopping their scene once, Lucas calling for a small change of lighting, and then they are back at it. Steele ends the scene with the obligatory pop shot on her stomach. Lucas is pleased with the scene. Brooke and Steele give one another a warm hug before parting ways and heading home.

Another day done and this reporter's lesson learned? Neighbors... sometimes love is right next door.

A couple months ago I got a text from the editor that I was 50+ magazine's favorite model. He explained that they'd received more letters about me than the other models.

Kelly

I was so flattered that I made my boyfriend take me out for a special dinner. We wine and dined and after we got home I did a long, slow striptease for him before giving him a forty minute blow job. Yay for me!

A woman with blonde hair, wearing a black leather harness, is kneeling on a light-colored floor. She is positioned in front of a window with red curtains. She is looking back over her shoulder at the camera. The harness includes a strap around her waist and another around her thighs, connected by a vertical strap. A small red object is attached to the harness. The background shows a window with red curtains and a view of a city skyline.

I shaved my pussy
for this shoot. It
makes my mound
really sensitive and
then I'll lotion it up
and rub it in to keep
me smooth. Then I
shaved my pussy
lips smooth and felt
all around them
and into the folds
to be sure they are
smooth, too. But it's
my boyfriend who
will be the enjoying
it tonight!

Alia & Cytherea

There's little we'll be able to say about this shoot. Plenty of woman on display here. Lots of sexual energy and sexual tension that is relieved at the end. We won't focus on their differences, but their similarities. Hot, sexy, erotic and with a whole lot of lust thrown in for good measure. So, lick on ladies. We'll be over in the corner.

Hi guys. We hope
you had a good time
watching us fuck. It's
like a front row seat to
our private sex lives.
Sometimes we're not
all sweet and cute.
Sometimes we
want to get down
and a little bit
nasty. That's
how we roll!
